

COVID-19 Health Screening Protocol for Visitors

(Effective April 25, 2022)

In an effort to help minimize the risk of COVID-19 exposure at Frankfurt Kurnit Klein & Selz PC (the “Firm”), all visitors to the Firm are required to follow the protocol below:

Visitors must complete the Firm’s health screening questionnaire prior to arriving at our office and must receive an e-mail from the Firm approving the visitor to enter the office. If the visitor does not receive a response, or if the response states that a visitor may not visit the office, the visitor may not enter the office. To complete the health questionnaire please click on the link below or scan the QR Code.

[FKKS Health Screening Questionnaire](#)

OR

When arriving at the office, the visitor must present proof that the visitor is fully vaccinated. Acceptable proof includes the vaccination card, a photocopy or picture of the card, or a digital vaccine record (e.g., Digital COVID-19 Vaccine Report for California and Excelsior Pass Plus for New York). The proof must be presented to the Firm’s receptionist upon arrival. Per the CDC, a person is [fully vaccinated](#) two weeks after receiving all recommended doses in the primary series of the person’s COVID-19 vaccination. The primary series requires a two-dose vaccine series of Pfizer-BioNTech or Moderna and a single-dose vaccine of Johnson & Johnson/Janssen. If a visitor has a medical or religious exemption, the visitor must e-mail humanresources@fkks.com and present proof of such exemption at least one day prior to visiting the Firm. Visitors with a medical or religious exemption will be required to follow specific procedures outlined by the Firm, which may include attending the meeting remotely, or if the Firm determines that in-person attendance is necessary, the visitor will be required wear a mask and social distance and comply with any other Firm procedures.

Visitors who are experiencing COVID-related symptoms or who are otherwise feeling ill may not enter our office. If a visitor develops COVID-related symptoms or otherwise starts feeling ill while in our space, the visitor is to leave immediately. If a visitor starts exhibiting COVID-19 related symptoms or tests positive for COVID-19 within 10 days of visiting our office, the visitor must notify humanresources@fkks.com.

The above protocol is subject to change. Questions regarding this protocol should be sent to humanresources@fkks.com.
